Quality Learning for Every Student, Every Day!

NOVA ACADEMY

- NOVA Discipline Academy is an alternative school for students ages 8-15 in Oakland, Macomb and Wayne Counties.
- The school is designed for students who struggle in a traditional environment.
- NOVA offers students an opportunity to succeed using non-traditional strategies to teach the core curriculum.
- NOVA gives students an opportunity to begin a career pathway and develop the social skills necessary to be productive in all environments.

New Behaviors to Create
Opportunities for
Vocational Awareness and
Academic Achievement

ACADEMICS

- Core Curriculum delivered in non-traditional ways.
- Each student has his/her own educational career pathway.
- Instruction is individualized based on students' assessments, socially and academically.
- Success is measured weekly through proven methods.
- Students are given traditional and computer based instruction to advance them to grade level using E2020 and Compass Learning.
- Students are given out-of-class learning opportunities (community service, job shadowing, field trips, internships and mentorships).

School opens September 2011

RELATIONSHIPS

- Staff is trained to work with students' challenges such as: truancy, disciplinary problems and academic concerns.
- Staff is carefully selected based on a commitment to working with young people to inspire and motivate them to want to excel.
- Staff is trained to assist young people in the development of social skills that will enable them to be successful in all areas.
- Staff to student ratio is small to ensure success.
- Staff, parents, and students develop cooperative relationships that support learning.
