Dear parent partners, as you know our neighbors in Flint, are in a state of crisis as it relates to having clean and healthy drinking water. The mission of Oak Park School District as well as OPPA, is to produce student citizens that are world contributors, not only in the scholastic realm, but also as servants to humanity.

We are asking that each student / parent of OPPA (that is able) donate a 12 – 24 pack of bottled water on **Friday, Feb. 5<sup>th</sup> and again on Friday, Feb. 12<sup>th</sup>**. The water bottles donated by the fantastic OPPA families, will be transported to Flint, along with donations given at other Oak Park School District schools.

Your participation and support are greatly appreciated. If you would like to bring your water to the school, please feel free to do so! Water will be stored in the LGI Room of the school and you may ask any staff member for assistance. Each child that participates, will receive a special certificate as well as a Free Dress Day Pass for Friday, February 26<sup>th</sup>, 2016.

Our goal is to donate 10,000 bottles of water! If each student / family contributes 15 bottles, we will reach our goal! Please help us to help those that need us now!
